INFORMATION**

WHAT IS RECYCLABLE?

NEWSPAPERS

Everything that comes with the newspapers can go with the newspapers (excluding plastic and brown paper covers). Newspapers must be tied in bundles no thicker than 12" and must be tied with heavy twine or string. Bundles bound with tape will be left at curbside.

CORRUGATED CARDBOARD

Corrugated cardboard is a two-dimensional piece of brown paper with a center core of wrinkles or folds that form alternating ridges and grooves. These boxes must be broken down and tied into bundles weighing no more than 40lbs.

Cardboard must be free from all debris and contents.

HARD COVER BOOKS

The paper inside hard cover books must be recycled. Remove the covers from the books, place the paper with your junk mail and mixed papers, and place the covers in with your regular garbage.

JUNK MAIL AND MIXED PAPERS

These materials include; magazines, catalogs, advertising mail, envelopes, colored and white paper, letterheads, construction paper, text books (without covers), and telephone books. All of these materials can be tied with heavy twine, string or placed in a brown paper bag marked junk mail.

NO LONGER ACCEPTING SHREDDED PAPER

WHAT CAN BE COMMINGLED AND PLACED INTO THE CONTAINER?

The following items and **ONLY** the following items may be placed in the container and placed curbside for collection.

- * **Aluminum** soda and beer cans.
- * **Bimetal** cat/dog food cans, soup cans and vegetable cans.
- * **Glass Bottles and Jars** consist of three colors; green, brown, and clear.
- * **Plastic Containers** as in soda, milk, water, and laundry detergent bottles.

HOW TO PLACE CONTAINER

To replace container please call: 732-217-8654

Place container in the street at curbside with the wheels facing your residence **no later than 6 am** on your scheduled collection day. The container must have the minimum of five feet on both sides to allow for the automatic arm to safely pick up the container. You should also keep the container clear of telephone poles, fire hydrants, street signs, mail boxes, cars, and overhead obstructions such as, trees, and basketball hoops. **Do not place your cardboard, junk mail, or newspapers on top of or inside your container.** They should be left off to the side and five feet away from your container. If the truck cannot pick up the container safely, then it will be left curbside for your next scheduled collection day.

WHAT ITEMS ARE NOT RECYCLABLE?

GLASS THAT IS NOT ACCEPTED

- NO – Mirror and/or window glass
- NO – Ceramic cups and/or plates
- NO – Light bulbs
- NO – Drinking glasses.
- NO – Clay flower pots
- NO – Jars or containers that are not rinsed out

PLASTIC ITEMS THAT ARE NOT ACCEPTED

- NO – Bleach bottles
- NO – Motor oil containers
- NO – Antifreeze bottles
- NO – Yogurt/butter cups
- NO – Baby wipe containers
- NO – Plastic toys
- NO – Flower pots or trays
- NO – Plastic utensils or dishes

All of the above items can be placed with your regular household garbage.

HOW TO IDENTIFY YOUR ZONE NUMBER
AND USE THE SCHEDULE

Remove the center sheet from this booklet. Locate your street from the list, which is in alphabetical order, and take notice of the coinciding zone number. On the sheet with the schedule, locate the schedule that matches your zone number and follow the schedule for all your curbside collections for the entire year. Take note of the following:

RECYCLING YARD CLOSED FOR HOLIDAYS:

<p>Jan. 1st & 20th Feb. 17th Apr. 10th May 25th July 3rd & 4th Sep. 7th Oct. 12th Nov. 3rd, 11th, 26th & 27th Dec. 24th, 25th & 31st</p>
--

ATTENTION:

Recycling changes due to holidays

<p>Jan. 1st zone 3 recycling moved to Jan. 6th April 10th zone 7 recycling moved to April 13th July 3rd zone 7 recycling moved to July 6th Nov. 3rd zone 1 recycling moved to Nov. 2nd Nov. 11th zone 4 recycling moved to Nov. 9th Nov. 26th zone 6 recycling moved to Nov. 23rd Nov. 27th zone 8 recycling moved to Nov. 30th Dec. 24th zone 6 recycling moved to Dec. 21st Dec. 25th zone 8 recycling moved to Dec. 21st Dec. 31st zone 5 recycling moved to Dec. 28th</p>

CONSTRUCTION DEBRIS

Construction debris is the responsibility of the contractor and/or resident to dispose of. This includes lumber, paneling, plasterboard, roofing material, fencing, concrete, asphalt, brick, and similar items. The resident and/or contractor must make arrangements with their garbage contractor for the disposal of these items.

GRASS CLIPPINGS

Hazlet Township does not collect curbside or accept grass clippings at the Recycling Yard at any time during the year. We encourage you to “clip it and leave it” or contact your garbage company to make the proper arrangements.

RECHARGEABLE AND AUTOMOBILE BATTERIES

You may drop off your rechargeable batteries at our recycling facility, located on Leocadia Ct. during operating hours (check hours of operation on page #1). Hazlet Township **no longer accepts** household batteries. You may also place rechargeable and automobile batteries curbside during the scheduled white metal collection.

USED MOTOR OIL AND ANTIFREEZE

Hazlet Township **will not accept** used motor oil, antifreeze, or used oil filters at our Recycling Center. Those items can be taken to a full service station or the Monmouth County Reclamation Center. The telephone number for the Monmouth County Reclamation Center is: 732-683-8686 ext. 5210.

WHITE METAL

White metal consists of all items made of metal including large appliances. Any items containing Freon, such as air conditioners, refrigerators, and freezers require a \$25.00 check made payable to Hazlet Township. These items will be collected 4 times a year (see the recycling schedule for these dates) or they may be brought to the Recycling facility during regular operating hours (check hours of operation on page #1).

BRUSH AND LEAVES

Brush and bagged leaves will be collected curbside 6 times during the calendar year. Please take notice of your collection dates on the schedule provided. As in the past, you will only be allowed to place your brush and bagged leaves curbside no earlier than 7 days prior to your scheduled collection date. If you do place it curbside more than 7 days prior to your collection, you will be subject to a fine. Brush must be no longer than 4' in length and 4" in diameter. If you have a landscaper or tree surgeon cut down your brush it is their responsibility to dispose of these items. The Township will not collect these items from your residence. Leaves must be in brown paper biodegradable bags. You may obtain these bags, (no more than 50 per residence) from the Recycling Yard from Monday September 14TH through Saturday December 5TH, only. You may also purchase similar or additional bags at many of your local home and garden centers in the area. **You may also bring your brush and leaves to the Recycling Yard at any time during regular operating hours.**

HAZARDOUS MATERIALS

The following items are considered hazardous waste and can be brought to the Monmouth County Household Hazardous Waste Facility, located at 3211 Shafto Rd., Tinton Falls (Building H – one mile from the intersection of Shafto Rd. and Asbury Ave., phone # (732) 683-8686 ext 5210).

- * Motor oil
- * Antifreeze
- * Gasoline
- * Pesticides
- * Herbicides
- * Paints
- * Solvents
- * Thinners
- * Varnishes
- * Pool chemicals

The facility is for residents only. Business owners must contact a private hauler. Maximum amount per visit, 200 lbs. dry material, 20 gal. liquid (no containers larger than 5 gal.).

STORM WATER POLLUTION SOLUTIONS

DID YOU KNOW? *Stormwater Pollution is one New Jersey's greatest threats to clean and plentiful water.*

DID YOU KNOW? *There are easy things you can do every day to protect our water.*

- ▶ **Limit your use of fertilizers and pesticides**
Do not apply fertilizers if heavy rain is predicted.
Look into alternatives for pesticides.
- ▶ **Properly use and dispose of hazardous products**
Contact Hazlet Township for locations of hazardous waste disposal facilities.
- ▶ **Keep pollution out of storm drains**
Do not let sewerage or other waste flow into stormwater system.
- ▶ **Clean up after your pet**
Use newspaper, bags or pooper-scoopers to pick up wastes.
- ▶ **don't feed wildlife**
- ▶ **Don't Litter**
Place litter in trash receptacles.
Recycle. Recycle. Recycle.
- ▶ **Dispose of yard waste properly**
Keep leaves and grass out of storm drains.
Use a mulching mower that recycles grass clippings into the lawn.
- ▶ **The Hazlet Township Stormwater Pollution Prevention Plan is available for viewing by appointment at 39 Leocadia Ct.
732-217-8654**

For more information on stormwater related topics, visit www.njstormwater.org
or www.nonpointsource.org

INCLEMENT WEATHER

SNOW STORMS

In the event of a snowstorm on your scheduled recycling day, your recycling collection will defer to your next scheduled collection day. During a snowstorm the Department of Public Works asks for your cooperation by removing all vehicles and portable basketball hoops from the roadways. **Any vehicles parked in the roadway are subject to being towed and/or fined in accordance to Ordinance # 305-8.** To make it easier on the residents, the Public Works Department asks that you do not shovel out your driveway aprons until the snowplows have made their final pass. The final pass is done after the snow has subsided. The plows can then open the roadways as wide as possible.

HIGH WINDS AND HEAVY RAINS

If a storm should happen to cause a tree limb or a tree to fall on your property, the Department of Public Works will offer a non-scheduled collection of such brush.

However, the Department of Public Works asks that you notify them before cutting up the brush and placing it curbside. If the fallen tree or limb is handled by O.E.M. (The Office of Emergency Management) or the Hazlet Township Police Department was contacted, the Public Works Department will receive an incident report on this matter, and phone contact with the Public Works Department would be unnecessary.

If you should have any questions regarding recycling or any other Public Works tasks, please feel free to contact The Public Works Department at (732) 217-8654 or visit the Township's website @ www.hazletwp.org.

Thank you for your cooperation

Hazlet Township Public Works
